Course Title: Epistemology (知識論)

2015-16 Term 2

Instructor: Cheung, Kam Ching Leo (張錦青) (email: leokccheung@cuhk.edu.hk)

Tutor: TBA

Time / Venue (Lecture): Monday 9:30-11:15 / LSK 308

BLACKBOARD LEARN will be used for this course.

Course Description:

This course aims to introduce the basic concepts, issues and theories in Epistemology. The topics to be discussed include different theories of truth, different types of skepticism and some responses, the tripartite definition of knowledge, the Gettier Problem, the analysis of knowledge, externalism (about knowledge and justification) and internalism, foundationalism and coherentism. This course assumes a certain level of analytical and logical skills. Students are expected to engage in critical, analytical and argumentative evaluation of the theories and arguments in Epistemology encountered in this course.

Learning outcomes:

After taking this course, students should be able to:

- understand the basic concepts in Epistemology.
- demonstrate familiarity with the major issues and prominent theses and positions in Epistemology.
- appreciate the main concerns and the nature of the major issues in Epistemology.
- acquire skills in argumentative discussion and in writing about issues in Epistemology.
- enhance the ability of logical reasoning and argumentation and that of philosophical analysis.

Learning activities:

Learning activities of this course include lectures, tutorials, reading essays and

writing a term paper:

1. Lecture: 2 hours a week (mandatory).
2. Tutorial class: one two-hour session every two weeks (mandatory).
3. Term paper writing.
4. Preparation for the final examination.

In this course, students are required to attend all the lectures and tutorials. Students are expected to read assigned essays before the lectures and study tutorial materials before the tutorial classes.

Students are also expected to devote sufficient time to the writing of the term paper throughout the whole course. Surveying and reading the relevant literature and analyzing the materials are essential to the production of a satisfactory term paper.

Students should be able to develop and enhance their analytical and argumentative skills through discussion in tutorials and classroom and writing the term paper.

Assessment:

Academic honesty and plagiarism:

Attention is drawn to University policy and regulations on honesty in academic work, and to the disciplinary guidelines and procedures applicable to breaches of such policy and regulations. Details may be found at <http://www.cuhk.edu.hk/policy/academichonesty/> .

For assignments in the form of a computer-generated document that is principally text-based and submitted via VeriGuide, the statement, in the form of a receipt, will be issued by the system upon students' uploading of the soft copy of the assignment. Assignments without the receipt will not be graded by teachers. Only the final version of the assignment should be submitted via VeriGuide.
