Feedback for evaluation

1. As with all courses in general education, students evaluate the course through a survey and written comments at the end of the term as well as via regular feedback between teacher and students.
2. Students are welcome to give feedback on the course at any time. They can do so by communication to teacher in class, or by email.

Details of course website

We use Blackboard for this course. Relevant announcements and course materials, including lecture power points, notes, assignments, will be posted regularly on the website.

Academic honesty and plagiarism

Attention is drawn to University policy and regulations on honesty in academic work, and to the disciplinary guidelines and procedures applicable to breaches of such policy and regulations. Details may be found at http://www.cuhk.edu.hk/policy/academic_honesty/

With each assignment, students will be required to submit a signed **declaration** that they are aware of these policies, regulations, guidelines and procedures. For group projects, all students of the same group should be asked to sign the declaration.

For assignments in the form of a computer-generated document that is principally text-based and submitted via VeriGuide, the statement, in the form of a receipt, will be issued by the system upon students' uploading of the soft copy of the assignment. Assignments without the receipt will not be graded by teachers. Only the final version of the assignment should be submitted via VeriGuide.
