Course Outline

Mode of Teaching: Face-to-face Teaching

Term: 2024-25 Term 1

Time : Thursday 18:30-21:30

Location : YIA LT5

(3-4 lessons will be held on Monday 18:30-21:30, details will be announced later)

Course overview (as shown on CUSIS)

This course is conducted either from the historical approach or the analytic approach, or a combination of both. The historical approach discusses such themes as Parmenides and the beginning of metaphysical questioning, Plato and Aristotle's metaphysical systems, Descartes' metaphysics of subjectivity, Hume's critique of metaphysics, Kant and the possibility of metaphysics as a science, Hegel's metaphysical idealism, and Nietzsche and the end of metaphysics. Themes discussed from the analytic approach include: the problem of universals, the status of particulars, modality and possible world, the problem of self and identity, freedom and causality, realism and anti-realism, etc.

Academic honesty and plagiarism

Attention is drawn to University policy and regulations on honesty in academic work, and to the disciplinary guidelines and procedures applicable to breaches of such policy and regulations. Details may be found at <http://www.cuhk.edu.hk/policy/academichonesty/>

For assignments in the form of a computer-generated document that is principally text-based and submitted via VeriGuide, the statement, in the form of a receipt, will be issued by the system upon students' uploading of the soft copy of the assignment. Assignments without the receipt will not be graded by teachers. Only the final version of the assignment should be submitted via VeriGuide.
